

AIA Ohio Foundation Grant Application

This form has been created to assist in the development of a grant from the AIA Ohio Foundation. The guidelines and criteria for AIA Ohio Grants are established in the adopted grant policy. The criteria may change from time to time and applicants are encouraged to review the current requirements.

Mission of the Foundation

The AIA Ohio Foundation provides outreach, supporting the future of the architectural profession in its service to society.

Grant Eligibility

Eligible applicants include AIA Ohio components, Ohio accredited architectural schools, AIAS students and student chapters, individual AIA Ohio members, and other individuals and organizations where the proposal is deemed to have a direct and positive benefit to the profession of architecture in the state of Ohio.

Application

In order for an application to be considered, all required information must be provided.

Project or Event Name:

Entity, organization or individual making application:

Contact Information:

Name:

Address:

Phone Number:

Has the organization applied for a grant from the AIA Ohio Foundation within the last 12 months:
